***B. Read the passage and circle the correct answer. (A, B, C, or D) (1,0 pt).***

Breakfast is considered the most important meal of the day. After a long night without food, your body needs nutritious foods to recharge its energy. A healthy breakfast provides the vitamins, minerals, and calories necessary for studying and physical activities during the morning.

Studies show that students who skip breakfast often feel tired, dizzy, and are unable to concentrate on lessons. In addition, having a balanced morning meal plays an **essential** role in maintaining body weight. If you divide your daily calorie intake properly into three main meals, you can prevent overeating fast food later in the afternoon. Therefore, spending ten to fifteen minutes eating whole grains, eggs, and fruit each morning is a smart habit for your health.

**16.** What is the main idea of the reading passage?
A. Why fast food is bad for teenagers.
B. The great importance of having breakfast.
C. How to cook an easy meal for dinner.
D. Morning exercises for students.
